

Dear Parent(s)

Your child ----- hurt him / herself slightly at school to day. A person trained in first aid has seen him. S/he does not seem to have suffered any after effects from the incident. If you think you need to take him to a doctor for further treatment I would be grateful if you would let me know the result.

Yours sincerely,

Head teacher

Kwa Wazazi

Mtoto wako ----- alijiumiza kidogo leo shuleni.
Mtaalamu wa huduma ya kwanza alimuangalia. Inaelekea hana
majeruhi yoyote aliyoyapata baada ya tukio hilo. Kama unafikiri
ni lazima umpeleke kwa daktari kwa matibabu ningependa kujua
matokeo yake.

Wako mwaminifu,

Mwalimu Mkuu
