

Dear Parent,

There has been an outbreak of head-lice in your child's class. Can I ask you to check your child's hair and be extra vigilant when brushing, combing or washing your child's hair.

If you discover your child is infected with head-lice, could you please keep your child at home until you have contacted your doctor for advice?

If you are concerned please do not hesitate to contact us.

Thank you very much for your co-operation.

Yours sincerely,

Headteacher

Dragi parinti,

In clasa copilului dumneavoastra este epidemie de paduchi. Va rog sa examinati parul copilului dumneavoastra si sa fiti vigilenți cand spalati, periați si pieptanati parul copilului.

Daca descoperiti ca si copilul dumneavoastra are paduchi, va rugam sa il tineti acasa pana cand contactati doctorul pentru sfaturi.

Daca sunteti ingrijorati de acest lucru, va rugam sa ne contactati.

Va multumim foarte mult pentru cooperare.

Cu respect,

Director
