

Dear Parent,

The teachers would like to invite you to a Parents' Evening on/...../..... This will be an opportunity for you to see your child's work, read your child's yearly report, and discuss progress with the class teacher. In order to prevent too long a wait, the teachers would like to use an appointment system. Please tick the half-hour intervals in which you would like an appointment. The teachers will try and keep within that time selection. As the whole school will be open on the evening, please indicate, if you have other children whose teachers you would like to see. I will also be available to see parents on that evening.

Yours sincerely,

Headteacher

Please tick the sessions when you are available and return this half of the form to your child's teacher.
