

Dear Parent,

There has been an outbreak of head-lice in your child's class. Can I ask you to check your child's hair and be extra vigilant when brushing, combing or washing your child's hair.

If you discover your child is infected with head- lice, could you please keep your child at home until you have contacted your doctor for advice?

If you are concerned please do not hesitate to contact us.

Thank you very much for your co-operation.

Yours sincerely,

Headteacher

Kwa Mzazi,

Kuna watoto kadhaa ambao wana chawa katika darasa la mtoto wako. Tafadhali angalia nywele za mtoto wako, na uwe mwangalifu wakati unapochanua au kuosha nywele za mtoto wako. Kama ukigundua kwamba mtoto wako ana chawa, je unaweza kukaa na mtoto wako nyumbani mpaka hapo utakapomuona daktari ili akupe ushauri? Kama una wasiwasi wowote usisite kuwasiliana nasi. Asante sana kwa ushirikiano wako.

Wako mwaminifu,

Mwalimu Mkuu
