

Dear Parent,

There has been an outbreak of head-lice in your child's class. Can I ask you to check your child's hair and be extra vigilant when brushing, combing or washing your child's hair.

If you discover your child is infected with head- lice, could you please keep your child at home until you have contacted your doctor for advice?

If you are concerned please do not hesitate to contact us.

Thank you very much for your co-operation.

Yours sincerely,

Headteacher

Ku Waalidiinta,

Waxaa fasalka ilmahaaga ka dillacay injirta timaha gasha. Waxaa lagaa codsanayaa in injir aad ka baartid madaxa ilmahaaga oodna si aad ah uga taxaddirtid goorta aad shanleyneysid timaha ilmahaaga.

Haddii aad injir ku aragtid timaha ilmahaaga, waxaa lagaa codsanayaa in ilmahaagu uu joogo guriga ilaa uu takharka usoo qoro daawada lagu saaro injirta.

Haddaba, haddii aad ka walacsan tahay arrintaasi waxaa lagaa codsanayaa in aad la soo xiriirtid iskuulka. Aad baad ugu mahadsan tahay gacansiinta arrintani.

Mahadsanid
Yours sincerely,
