

Dear Parent,

There has been an outbreak of head-lice in your child's class. Can I ask you to check your child's hair and be extra vigilant when brushing, combing or washing your child's hair.

If you discover your child is infected with head- lice, could you please keep your child at home until you have contacted your doctor for advice?

If you are concerned please do not hesitate to contact us.

Thank you very much for your co-operation.

Yours sincerely,

Headteacher

Dragi roditelju,

U odelenju Vašeg deteta pojavile su se vaške. Molim Vas da prokontrolišete kosu Vašeg deteta i da budete posebno oprezni prilikom četkanja, češljanja i pranja kose Vašeg deteta.

Ukoliko nadjete da je i Vaše dete dobilo vaške, mogu li da Vas zamolim da ga zadržite kod kuće i da zatražite lekarski savet od Vašeg lekara? Molim Vas da se ne ustručavate da nas kontaktirate ako ste zbog ovog zabrinuti.

Hvala na saradnji,

Srdačan pozdrav,

Upravnik škole
