

Dear Parent,

There has been an outbreak of head-lice in your child's class. Can I ask you to check your child's hair and be extra vigilant when brushing, combing or washing your child's hair.

If you discover your child is infected with head-lice, could you please keep your child at home until you have contacted your doctor for advice?

If you are concerned please do not hesitate to contact us.

Thank you very much for your co-operation.

Yours sincerely,

Headteacher

Baboti ba bolingo

Bamoni ete basili ya moto ezali mingi na classe ya mwana na bino. Nasengi na bino botala nsuki ya mwana na bino malamumu pe bozala vigilant mingi na tango ya ko brosser, kosanula pe kosukula nsuki ya mwana na bino.

Soki omoni ete mwana azali na basili ya moto, nasengi na bino botika ye avanda na ndako ti kino mokolo bokosenga docteur na bino conseil.
Soki bozali na soucis bokoki ko contacter biso.

Merci mingi po na co-operation na bino.

Wa bino wa motema.
