- Successful event with minor learning points for 2020.
- Race started at 9:30am with the village open from 7am, it was noted that timings worked well.
- Several compliments received mainly focussing on overall organisation of the event, the course and event village atmosphere. Feedback was extremely positive.
- SEW (LLDC) commented on the quality and experience of stewards.
- Village on the South Park Lawn was well received and staffed.
- Participants visited local areas pre and post event.
- TMP delivered well. Pre race comms from LLDC assisted to reduce congestion.
- 13 participants needing medical attention, all treated successfully and departed event. 1 hospitalised due to asthma.

Learnings & actions for 2020
- It was noted that clearer signage needs to be implemented for 2020.
- Wind gusts were an issue at setup and will need to be addressed.
- Earlier agreed set up time pre event needs to be considered as there were restrictions for vendor equipment and set up.
Queen Elizabeth Olympic Park
Licensing, Operational Planning & Safety Group (Parkwide) - LOPSG

- Delay in opening highways from 11miles was an issue. Longer buffer needs to be build in for next year.
- Increased TFL consultation worthwhile during planning in the future.
- Additional marshals required on Loop Road and HTC crossing point.
- Noise complaints received from the stage, this will need adjusting.
- More waste points required along with course waste clean up.
- Minor LLDC pre planning confirmations.
- Recycling points for 2020 and will be using paper goody bags.
- LBN added more details required in the planning.

It was announced that QEOP Half Marathon plan to return in 2020 and currently in discussion about utilising the stadium island.
