

Terms and Conditions for Under the Stars 2017

If you are planning to attend the Under the Stars event at East Ham's Central Park on Thursday 17th, Friday 18th, Saturday 19th and Sunday 20th August, we'd like to make you aware of additional safety measures that are now in place for this event.

Your safety and enjoyment at the event are paramount to us at Newham Council, and as such we'd like to advise you that there will be an increased search regime in place, so please arrive well in advance of the event beginning.

Gates will open at 6.30pm on all days, with performances starting from 7pm.

There will be enhanced personal searches on entry to the park, so in order to allow easy access, and cause minimal delays; we would like to discourage visitors from bringing large bags to the event. No glass bottles, metal cutlery or other sharp objects will be permitted into Central Park.

Small personal cameras will be permitted, though guests will not be able to bring professional photography equipment into the park.

Please note that you may also be asked to remove coats or jackets in the search queue.

Also please note that anyone bringing unsealed plastic bottles or baby bottles into the park will be asked to open them and taste the contents in front of security personnel before entering. If you are unwilling to do this, it is unlikely you will be permitted to enter.

We would like to thank all our visitors for their patience in ensuring an enjoyable and safe experience at the Under the Stars.
