## READ OUT

My name is [NAME] and I am carrying out interviews with Gypsies and Travellers to find out their accommodation needs. The interviews are part of work commissioned by the Greater London Authority (GLA) who are determining the accommodation needs of Gypsies and Travellers across London. This information will help Councils and service providers in this area to plan better for the accommodation needs for Gypsies and Travellers in the future. I will not be asking for your name or anything else that could identify you and all information you give is confidential. I must stress that the questions are to help plan accommodation over the long term and it can take several years for changes to come through. We are working for an independent research company and the Council or GLA will not see any of your replies. Would you be willing to talk to me? The interview will probably take about 20 minutes.

# London GTANA bricks and mortar survey 2022

## Introduction

The Greater London Authority (GLA) has commissioned RRR Consultancy Ltd (<http://rrrconsultancy.com>) to determine the accommodation needs of Gypsies, Travellers, Travelling Showpeople, and the Roma communities (GRT) across London. This information will help Councils and service providers in London to better plan to meet those needs over the period 2022 to 2032.

This survey will help us understand the accommodation needs of Gypsy and Traveller households who live in houses and flats (members of the Roma community and Travelling Showpeople have separate surveys).

Please note that neither the Council or GLA will see any of your answers and your responses will remain anonymous. The survey will probably take around 20 minutes to complete.

The survey can be closed and continued at a later time using the 'Save & Continue' button and entering your email address.

If you would like more information about this survey please contact RRR Consultancy Ltd.

London Gypsy and Traveller Accommodation Assessment (GTANA) - Bricks and Mortar Survey 2022

# London GTANA Roma community survey 2022

## Introduction

The Greater London Authority (GLA) has commissioned RRR Consultancy Ltd (<http://rrrconsultancy.com>) to determine the accommodation needs of Gypsies, Travellers, Travelling Showpeople, and the Roma communities (GRT) across London. This information will help Councils and service providers in London to better plan to meet those needs over the period 2022 to 2032.

This survey will help us understand the accommodation needs of Roma households who live in houses and flats (members of the Gypsy and Traveller and Travelling Showpeople communities have separate surveys).

Please note that neither the Council or GLA will see any of your answers and your responses will remain anonymous. The survey will probably take around 20 minutes to complete.

The survey can be closed and continued at a later time using the 'Save & Continue' button and entering your email address.

If you would like more information about this survey please contact RRR Consultancy Ltd:

T: 01427 839686

E: [info@rrrconsultancy.com](mailto:info@rrrconsultancy.com)

Please forward this survey to any friends or family who would like to complete the survey using the following link:
