

Summer fun in Newham

for Children and Young People

Foreward

Welcome to Newham's Summer Activities Programme 2026!

Summer is one of the most exciting times of the year for children, young people and families across our borough. With longer days, brighter weather and the freedom that comes with the school holidays, there are endless opportunities to explore, learn, make new friends and create lasting memories.

This year, we are delighted to bring together an incredible programme of activities taking place right across Newham. Whether you're looking for sports and fitness sessions at our leisure centres, creative arts and cultural experiences in our libraries, exciting adventures in our Youth Zones, fun-filled activities in schools, or community events taking place in local venues, there truly is something for everyone.

Our ambition is for Newham to be the best place for a child and young person to grow up. This programme reflects the passion, creativity and commitment of our partners and staff who work tirelessly to provide opportunities that inspire, challenge and support our young residents. All of these activities are free, helping

ensure that every family can enjoy a fantastic summer close to home.

I would encourage families to take a look through this brochure and start planning now. Popular activities fill up quickly, so book early to avoid disappointment. Every year, children and young people return to school full of stories about the adventures they've had, the skills they've learned and the friends they've made. We want every child and young person in Newham to have those experiences and memories to share.

Don't miss out on a summer packed with fun, discovery and opportunity. Whether you're trying something completely new or returning to a favourite activity, we look forward to seeing you across our Youth Zones, schools, libraries, leisure centres and community venues throughout the holidays.

Have a wonderful summer and enjoy everything that Newham has to offer.

Laura Eden
Corporate Director,
Children and Young People's Services

Welcome

Welcome to Newham's Summer Activities Brochure

This summer, children, young people and families across Newham can take part in a wide range of activities, clubs, events and support offers taking place across the borough. This brochure brings together information about the Holiday Activities and Food (HAF) programme, alongside other free and low-cost opportunities available during the school holidays.

The HAF programme provides free holiday activities and food for eligible children and young people, including those who receive income-related Free School Meals. Alongside HAF, there are also other activities and local offers that families may wish to explore, including community events, library activities, youth provision, family support and other summer opportunities.

Please use this brochure to find out what is available, check eligibility where required, and contact providers directly where you need more information.

Free Holiday Activities for Children and Young People

The Holiday Activities and Food (HAF) Programme provides free holiday activities and healthy meals for children and young people aged 4–16 (Reception to Year 11) who are eligible for benefits-related Free School Meals.

This summer, children and young people can enjoy a wide range of fun, engaging and enriching activities delivered by trusted local organisations across Newham. This Summer, there are over **60 different programmes running!**

What's on Offer?

There is something for everyone, including:

- Multi-sports and physical activities
- Dance and performing arts
- Music and creative workshops
- Arts and crafts
- Drama and theatre activities
- Cooking and healthy eating sessions
- Outdoor adventures and enrichment activities
- Specialist SEND provision

Every session includes a free healthy meal, giving children the opportunity to stay active, learn new skills, make friends and have fun throughout the school holidays.

Who Can Attend?

The programme is open to children and young people who:

- Are aged 4–16 (Reception to Year 11)
- Live in or attend school in Newham
- Are eligible for benefits-related Free School Meals

If you're unsure whether your child is eligible, you can apply online for Free School Meals at: <https://www.newham.gov.uk/school-meals-newham/free-school-meals>

Children with SEND

All HAF providers are committed to supporting children with low-to-moderate additional needs. We also offer a range of specialist SEND clubs for children and young people who require higher levels of support.

Please contact individual providers directly to discuss your child's needs and the support available.

Youth Empowerment Service Summer Programme

Looking for something to do this summer? The Youth Empowerment Service (YES) offers a wide range of free activities, events and opportunities for young people across Newham throughout the summer holidays.

Whether you're interested in sports, music, gaming, creative arts, trips, social action, leadership opportunities or simply spending time with friends in a safe and welcoming environment, there's something for everyone.

Our Youth Zones are places where young people can be themselves, try new experiences, develop new skills and build positive relationships with trusted youth workers. Throughout the summer, we'll be running an exciting programme of activities designed by and for young people, helping you build confidence, explore your interests and have your voice heard.

Alongside our Youth Zones, our Detached Youth Team will be out in communities across Newham, connecting with young people where they are, while our Participation Team will continue to offer specialist programmes for young people with SEND, Children in Care, LGBTQIA+ young people and those wanting to get involved in social action and youth leadership opportunities.

Come and discover new opportunities, meet new people and make the most of your summer with the Youth Empowerment Service.

Safe spaces. New experiences. Real opportunity.
