For information about the Council's Custom House regeneration
plans, please email regeneration@newham.gov.uk
or call Keith Smith on 07960 901400.

Since 2019, working with the community, our Design Team - appointed by Newham Council and community reps - has been producing designs for new homes, community spaces, and an improved neighbourhood centre at the heart of Custom House - the area now known as Phase 1. In Spring 2020 we also started work to draw up some core design principles for Phase 2, and for the Area North of Vandome Close.

This current set of events is relevant for people from all phases of the regeneration.

Online Events

#10

Design Update
Mon 7 Sept 6–8 pm

Overall update for Phase 1. Particular focus on Freemasons Road, including a presentation from PRD, the consultants developing the strategy for shops and services on the High Street.

#11

High Street Workshop
Wed 9 Sept 2–4 pm
or
Thurs 10 Sept 6–8 pm

Discuss emerging design ideas for the improved High Street on Freemasons Road in the heart of Custom House. We'll focus particularly on shared outside spaces - those places where the community comes together.

#12

Design Update
Thurs 17 Sept 6–8 pm
or
Fri 18 Sept 2–4 pm

Overall update for Phase 2, including design responses to your feedback from when we saw you in July 2020.

REPEAT

Housing Workshop
Tues 22 Sept 6–8 pm

Previously held in August 2020

Discuss designs for new flat and maisonette blocks. We'll focus on areas where people come together - lobbies, entrances and gardens - as well as balconies of individual homes.
