Ref200	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Continue delivery of the Shape Newham project, actively delivering public space and arts enhancements across 8 town centres in partnership with the community	Complete	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn
Ref201	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Progress with delivery of the Active Spaces Pilot in Stratford	Ongoing	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref202	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Finalise the overarching Newham High Streets Town Centre Strategy phase 1. This will set out a clear process to understand the needs and potential of each of the Borough's town centres in two phases, and to co-design aspirations for future action.	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref203	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	As a critical first step in delivering the Strategy, continue to develop a clear evidence base and Action Plan for each of the Borough's high streets and town centres, comprising 1). evidence on social and economic infrastructure, and 2). community inputs on local needs and opportunities	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref204	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Progression and completion of the Stratford Masterplan, resulting in a clear list of future actions and priorities, and detailed consideration of the different funding and resourcing options	Ongoing	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref205	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Completion of scoping work on the future economic evolution of Beckton and North Woolwich, placing focus on the role of local high streets and town centre within this	Dec-20	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref207	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Ensuring alignment of wider area master planning and regeneration work across the Borough (e.g. such as master planning work in Custom House and Carpenters, delivery work in LLDC and Royal Docks, development capacity work in Green Street, and movement and open space projects such as Leaway) with the objectives of Pillar 5, considering how wider activity can support the long term vitality and wellbeing of local high streets and neighbourhoods.	Ongoing	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn
Ref208	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Initial research to enhance the supply of flexible and affordable workspace across Newham's high streets.	Jun-21	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn
Ref209	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Progress with high Streets Strategy Phase 2, refining the approach to build in key messages from Phase 1	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref210	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	As part of the above, work to establish a clear definition of what 'High Streets for All' (a focus for the GLA's pan-London Recovery approach, and which draws on the 15 Minute Neighbourhood concept), means within the Newham context.	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref211	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	In tandem with the above, work with planning officers to explore the potential impacts arising from recent and proposed changes to planning rules (e.g. use classes, permitted development and wider deregulation) on high streets	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Murray Woodburn
Ref212	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Collaborative work between the Town Centres and Area Regen and Inclusive Economy teams to explore the need for ongoing business support across the Borough's high streets	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn
Ref213	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	The funding and resource requirements resulting from the High Street Strategy and Masterplan work will be significant and a detailed resourcing plan is therefore required to support Pillar 5 delivery. This will need to consider both conventional and more innovative models and approaches.	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn
Ref214	5: The Council will enable every resident to live in an accessible and inclusive neighbourhood which will provide all of their social, civic and economic essentials	Internal governance: the need for a cross officer working group / board to align high streets, regen, inclusive economy, and planning work across the Borough.	Mar-21	Dave Hughes	Nicola Elcock, Chris Horton, Margaret Almond, Derek Barratt, Murray Woodburn

CORPORATE DELIVERY PLAN - MARCH 2021 (SIMPLIFIED VIEW)
