

**THE FOSTER  
CARE**  
**TRAINING HUB**

**The UK's leading provider of  
training specific to fostering**

# Welcome to the Foster Care Training Hub!

At The Foster Care Training Hub, we recognise that each foster carer has a unique set of skills and life experiences that enable them to understand young people and be supportive foster carers.

We provide CPD accredited training for foster carers, social workers and young people. Our online and face-to-face training is engaging, interactive and impactful, all while covering the required standards and regulations.

Our courses are created by leading subject matter experts who work specifically within the foster care sector. We provide vocational and wellbeing courses, as well as preventative courses and those which teach life skills.

# Young People

The Big Initiative is a global social enterprise designed to support every single person on the planet with resources to educate, empower and inspire.

We empower young people with the skills and coping mechanisms they will need to make better choices and navigate life successfully.

Our leading experts collaborate to provide you with content-based training resources totally free of charge, for the greater good.

## Young People

- ✓ Available online and as face-to-face sessions
- ✓ Allocate directly to young people
- ✓ Log into your account to view all 200+ subjects

## Educate. Empower. Inspire.

### Why is The Big Initiative important for young people?

The Big Initiative is the only platform in the UK providing vital education to young people on the issues and challenges they face in life. With the right education, support and guidance, every young person can not only make better, informed choices but can also successfully navigate life.

### Preventative Resources

We provide preventative courses that engage with young people on the day-to-day issues they may face, including gangs, knife crime, suicide, exploitation, grooming and social media. There are over 200 of these subjects available.

### Life-Skill Resources

We also offer life-skill courses that are designed to empower young people with the skills they need to function independently in the adult world.

# Wellbeing

The Big Initiative is a global social enterprise designed to support every single person on the planet with resources to educate, empower and inspire.

We support individuals by giving them the skills and coping mechanisms to successfully avoid or cope with mental health issues. Our leading experts collaborate with us to provide content-based training resources totally free of charge for the greater good.

## Well-being

- ✓ Access as online courses
- ✓ Book as face-to-face sessions
- ✓ Allocate directly to your learners
- ✓ Learners can self-allocate
- ✓ Log into your account to view all 150+ subjects

## Educate. Empower. Inspire.

### Why is The Big Initiative important for individuals with mental health issues?

The Big Initiative is the only platform in the UK currently providing vital support on multiple subjects relating to mental health. Our main focus is empowering the individual not only to cope but to thrive.

### Mental health

Mental health is a vital part of our lives. It impacts our emotions, thoughts and behaviours. Being emotionally healthy can promote productivity and effectiveness at work, in school or while caregiving.

### Well-being

Feelings of well-being are fundamental to the overall health of the individual, enabling us to successfully overcome difficulties and achieve what we want out of life. Attitudes and outlook can impact our wellbeing, as well as past experiences such as physical or emotional trauma.

# Why Work With Us

## **We are passionate about education.**

We have a proven track record with over 85% of Local Authorities and 70% of the private sector actively accessing the resources we provide.

We provide training for 75,000 foster carers, social workers and young people. With our help, you too can access over 2000 training resources.

Ours is a training platform that connects foster carers, social workers and young people with all the resources they need to feel supported and flourish.

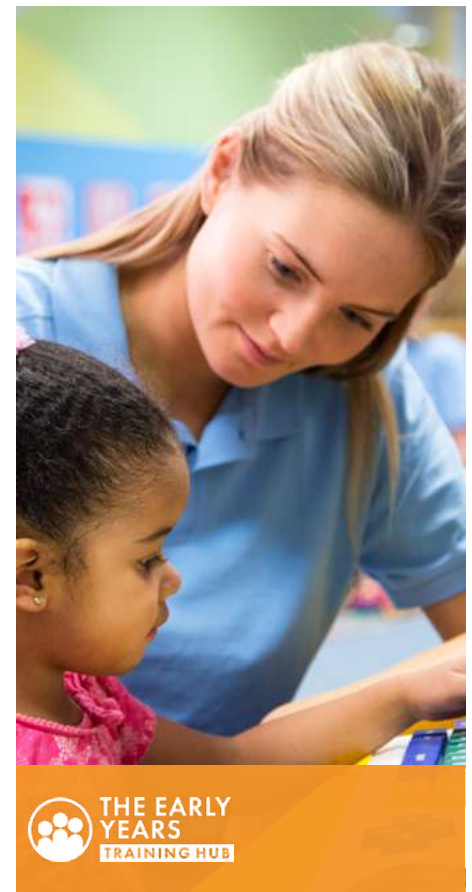

We understand that in a fast-paced society, it is imperative that the training resources we provide to foster carers, social workers and young people are relevant and accessible.

That is why we offer courses for use online, face-to-face, live over the internet, via video and document-based.

We welcome communication with any organisation that requires access to groundbreaking training along with any experts who would like to join our network.
