# INTRODUCTION

## WARDS

East Ham Community Neighbourhood is made up of the following wards:

**East Ham**  
**East Ham South**  
**Wall End**

## ABOUT THE AREA

East Ham is one of the 12 districts of the London Borough of Newham.

The area homes a diverse community of many cultures and languages. It is also a focal point for housing developers due to its high street located in the heart of East Ham, with its abundance of shops and transport links to central London and Essex.

## TRANSPORT

There are good transport links including a bus service which links the neighbourhood to the rest of the borough. East Ham tube station runs both the District and Hammersmith and City lines. The station provides step free access from street to train.

The Greenway runs through the south of the ward enabling a safe cycling and walking route through to Stratford.

## COMMUNITY FACILITIES

East Ham has an abundance of community facilities including East Ham Library, East Ham Leisure Centre, East Ham Nature Reserve, Flanders Community Centre, The Well Community Centre, St Bart's Centre and Newham College.

## RESIDENT VIEWS

**Katie Blake**

“ I am proud to call Newham my home for over 61 years. I love the community feel, the parks and open spaces.

We have a great historical heritage site for everyone to visit in East Ham, the East Ham Nature Reserve. I love to talk with the community and because we are such a diverse borough, there is always someone to talk to and a new culture to learn about.

**Joan Crumlish**

“ I love East Ham because it has a mixture of nationalities and personalities. It is very cosmopolitan for businesses.

I love the mixture of the community because it reminds me of my father's business and everyone was welcomed. East Ham has been the focal point for inspiration for my poetry. I hold Central Park very close to my heart along with St Bart's Centre. I have made many friendships and continue to make more.

# NEIGHBOURHOOD INITIATIVES

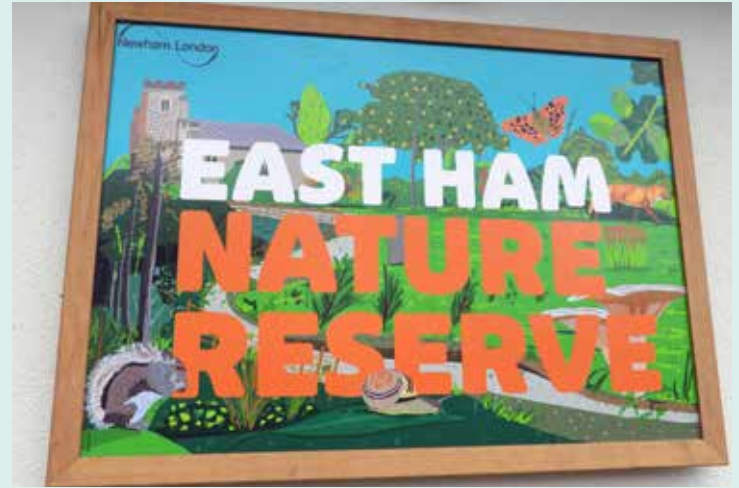

## I Love It Here

Lifelong Newham resident, Sabba Khan, created 12 drawings based on Shape Newham's radio interviews with the local community. Newham has one of the youngest and most ethnically diverse populations in the country. The project is a celebration of the diversity and energy of Newham's population. Sabba's work tells the story of what it means to live together in Newham, and encourages community cohesion.

## Welcome to East Ham

East Ham Station is one of the main arrival points to East Ham for visitors and residents, but the high street outside the station currently feels cluttered, congested and unwelcoming at peak times. CarverHaggard & Europa's 'Welcome to East Ham' consists of a series of large and colourful interventions greeting visitors and returning residents, marking this important space, and celebrating the historic architecture around the station. It includes:

- new signage
- purpose-made bike racks that spell out a welcoming message
- a colourful crossing
- a town clock, reflecting the importance of East Ham station as a gateway to the area.

## Doodling Around

Matt Ponting's 'Doodling Around' is featured at East Ham Nature Reserve. The reserve is unique to London – a site with rich history that has been given over to nature. His colourful art pieces are a combination of murals and signage exploring the diverse areas of the reserve.

## High Street North

East Ham's High Street North has two gateway arches that were originally installed in 1992. From Shape Newham Assemblies, it was clear that improving High Street North was the top priority for many residents. This project will create as much impact as possible all the way from the station to Barking Road. All 40 lamp posts along this route will be painted in a new palette from three colours picking up the vibrant activity of the life of the street, and contrasting with the red brick and grey concrete background of the streetscape – a new chain of colour animating everyday journeys.

## NEWHAM RESIDENTS SURVEY 2023

We will run a new survey that will provide measurement for our eight priorities as part of our Building a Fairer Newham Corporate Plan. The plan will inform how we deliver our key priorities for the next four years.

The Newham Residents Survey 2023 will provide robust measurement of the outcomes relevant to a survey methodology. It will help us to demonstrate and measure the impact of our Corporate Plan. Alongside this, the results from the survey will allow us to understand residents' attitudes and needs, and their satisfaction with the Council and services we deliver. The survey will question a representative sample of residents at a Newham level. We expect at least 1,500 Newham residents to be surveyed across our eight Community Neighbourhood Areas with one of the areas split into two, making a total of nine geographic areas to consider for sampling. The survey will run from May to August and the results will be published later in the year.

# PEOPLE POWERED PLACES

## COMMUNITY ASSEMBLIES ARE NOW

# People

# Powered

# Places

People Powered Places is London Borough of Newham's flagship programme of participatory budgeting.

Previously named Community Assemblies, the programme has become one of the largest participatory budgeting initiatives in the UK since its launch in 2018. It has delivered lasting transformation funding more than 200 projects that have had real impact on the borough, including by improving engagement between the Council and residents.

People Powered Places 2023-25, will be a two-year cycle with another £1.6 million of Neighbourhood Community Infrastructure Levy (CIL) funding allocated across Newham. Each neighbourhood will be allocated £200,000 for the two years.

People Powered Places is part of the Council's commitment to build a "People powered Newham and widening participation" and is fundamental to delivery of the London Borough of Newham's four-year Corporate plan 'Building a Fairer Newham'.

## KEY DATES TO LOOK OUT FOR

Surgeries take place regularly and provide an opportunity for any ward resident to talk to their councillor face to face.
