**NOTE 2:** These prices are indicative and subject to change. Please request a quote to confirm prices.

Prices of other types of bins available on request.

Delivery of 240L and 360L wheelie bins can usually be made within 2 weeks, delivery charge may apply. Stocks of larger Eurobins and Chamberlain bins are much more limited, so please allow at least 2 months' notice between ordering bins and when they are required on site. It may be possible to undertake urgent deliveries of small numbers of non-towable bins, subject to stock levels.

To order containers please contact [recycling@newham.gov.uk](mailto:recycling@newham.gov.uk) and provide the following information:

- Development name and address
- Details on access to the site – including whether an articulated lorry can enter the site
- Contact name and number for delivery queries
- Company name and address for invoicing
- Name, job title and telephone number for invoicing queries
- Information on required delivery dates
- Any purchase order or reference number to be quoted on invoice

Containers purchased through London Borough of Newham will be covered for damage during collection. This support does not extend to wear and tear and containers that are damaged by incorrect use on site, stolen, vandalised or set on fire.
